

Speed up, costs down

CA flex-pack printer's new Uteco Onyx gearless-flexographic press boosts print quality while it cuts job-turnaround time.

By Contributing Editor Melissa Larson

Printer and bag converter M&M Printed Bag (Chino, CA) is a family-owned business with a simple philosophy. The company offers high quality, quick turnaround, and great service—and they take special care of their repeat customers. “Some of our customers have been with us 15 to 20 years,” founder and chairman Ernest Taylor says with pride.

Bakery and produce bags are strengths for the 27-yr-old business, which has employed two sons and now a grandchild. Bag products include zippered bags, reclosable and permanent adhesive tape-lip bags, reverse and inside flip-lip bags, bread bags, tortilla bags, stone fruit bags, parts bags, and zip-lock speci-
